### **Requirements for Reimbursement**

1. You must start the race, you don't have to finish.
2. Maximum Reimbursement is \$70.
3. Limited to the first (35) Club Members based on the following:
  - You must register for the Individual Triathlon
  - Upon Registration, forward your race confirmation to [treasurer@chicotriathlonclub.com](mailto:treasurer@chicotriathlonclub.com) along with your address.
  - Show up and participate at the Granite Bay Triathlon.
  - The first (35) Club Members that have provided me their registration confirmation and have been confirmed to have raced, will be mailed a reimbursement check after the event.

### **Potential Questions:**

1. What if I mail in my registration?
  - If you mail in your entry, you will still receive a confirmation email once they receive your registration form.
2. What if I don't have email?
  - Provide a copy of the registration form to the treasurer (either in person or mail to P.O. Box)
3. Does this cover the additional registration fee through on-line?
  - Yes, but the maximum reimbursement is \$70.
4. How will the 'first come first serve' be decided?
  - This will be based on the order in which I receive the registration confirmations and will be cross checked with the race results to determine the (35) persons who will receive reimbursements.
5. What if I register on race day?
  - You will need to mail or email your receipt, and if there are still available reimbursements, you will receive the \$70 maximum.
6. Do I have to Finish the Race?
  - No, as long as you show up to the race and your name shows up on the official race results, even if it says "DNF" (Did Not Finish), but it cannot say "DNS"(Did Not Start).
7. How is the club able to do this?
  - The club has many generous sponsors that have been with us for years. Their generosity as well as the annual club memberships has afforded CTC the ability to provide this to the club.
